

FOR IMMEDIATE RELEASE

TOBI BROCKWAY ANNOUNCED AS RENDERING AUTHORITY

St. Paul, MN—Grace McNamara Inc., and Minutes Matter, producers of the Studio Coaching Program announce that Tobi Brockway of TOBI BROCKWAY INTERIORS INC., Toronto, has completed the six week course Graphic Design for Studio - a rigorous coaching program. She has accumulated credits and submitted six challenging projects leading to this credential. The Studio Rendering Authority is part of the Window Fashion Certified Professionals (WFCP™) & Minutes Matter Business Strategist certification.

This program is offered exclusively through WFCP (Window Fashions Certification Program™) and Minutes Matter. As leaders in the window covering industry, WFCP and Minutes Matter are dedicated to offering innovative tools to design professionals. Tobi Brockway was among nine other design professionals to complete the coaching course. “This program has moved my interior design services out of the ordinary and into the extraordinary”, says Tobi. “My clients are delighted with the professional renderings as it’s so much easier to visualize how their own rooms will look.”

About Tobi Brockway Interiors Inc.

TOBI BROCKWAY INTERIORS is a well-established professional decorating firm servicing home and condo owners in Toronto. TBI works with clients in a collaborative manner to achieve their style and their vision. Each project that is undertaken is customized to meet specific requirements - from colour consultation to renovations and everything in between. For more information and to see a gallery of our completed projects, visit www.tbinteriors.ca.

About Window Fashions Certified Professionals

WFCP is a community of more than 4,000 members that works to promote window fashions as a critical element of interior design and a powerful multi-faceted profession, and enriches members’ careers by promoting the value of certification through education, knowledge and experiences.

About Minutes Matter

Minutes Matter is the leading provider of digital solutions and organizational systems. Minutes Matter now offers more than 100 different products and services to interior designers, fabrication specialists and other design professionals. Minutes Matter also developed Studio, which is a graphic design software program that serves as a communication tool between a designer and client.
